The Master League includes a New Master League, featuring 19 teams from around the world: AC Milan, Ajax, Arsenal, Atletico Madrid, Beijing Guoan, D.C. United, CSKA Moscow, Eintracht Frankfurt, Everton, FC Porto, J.League champion Sanfrece Hiroshima, Liverpool, Lille, Marseille, Montpellier, Newcastle United, Roma, Southampton, Tottenham Hotspur and Wolfsburg. FIFA is a leading sports video game franchise with over 400 million players around the world. FIFA franchise has sold over 115 million units worldwide and is currently ranked amongst the best selling sports franchises of all time. In November of 2019, the FIFA community surpassed 1.5 billion global games played. FIFA™ 19 is the most realistic and complete version of the world's #1 selling video game franchise. For the first time ever, it includes the new "Play in Motion" technology allowing users to feel and experience the emotions of every player, tackle, pass, and goal in full-speed action. This is the most beautiful, authentic, and authentic football game experience on any platform. In addition to "Play in Motion," the game includes much-requested features including: - Mobile Friendlies: FIFA 19 features four-player mobile friendlies with up to four players. Participate in new modes and compete to win by showing your ability on the pitch. - Home Nations: Choose your favorite team and play the home games of the chosen nation. Compete with all eight home nations in regular and knockout tournaments. - Epic Champions League: Play through the group stages, knockout, and final of the UEFA Champions League on a weekly basis and compete for bragging rights. With a fully recreated stadium, new uniforms, improved commentary, and hundreds of new animations, along with the updated physics engine and new challenges, this is the most authentic UEFA Champions League experience on any console. - All-Stars: Choose your favorite star and

Fifa 22 Features Key:

- LIVE THE GAME - We challenged ourselves to create the most realistic and authentic football simulation experience to date. Our authentic game engine powering Advanced Matchday delivers true-to-life behaviour of over 50 players and innovations in visual and stylistic presentation, together with a new animation and visual fidelity never before seen in a football game.
- MULTIVOLUME CHOICE - Driven by real-life player data, live the game as a footballer to your heart's content. Choose between playstyles tailored to your sport and personal profile.
- NINE PLAYERS - Show-case the best talent in the world with the latest kit, football boots and football equipment. Get your hands on the complete must-have collection including training gear and the most complete collection of real players, legends, and real-life replicas ever created for a game.
- INTUITIVE MATCH UI - FIFA is the quickest, most responsive and user friendly interface ever created for football fanatics.
- PREMIUM FOOTBALL KITS
- NIGHT MOBILITY - When FIFA 20 Photoreal Player Technology combined with the introduction of Rebound Cards, FIFA 22 players can now play creatively and advantageously before and after the sunset.
- SLOWED DOWN AERIAL DRILL - Reduce the speed of the ball to enable more intelligent long passes, a sight that fans have been longing for. When a long pass is played, the ability to dribble around the opponent is now much quicker than before.
- MANAGED MATCHMENT - More ways to play the game and continue your journey after the final whistle. A new Leagues feature organizes all of your games into traditional Leagues, and collect your achievements in all matches you played. A new Follow Plan features saves you progress after a match, that keep you going even when you've been defeated.
