TURN-BASED ONLINE PLAYER VS. ISOLATE ONLINE BY DEFAULT A NEW WAY OF PLAY A VARIETY OF NEW THREATS AN ENDLESS STORY GRAPHICS & SOUND ELEGANT VISUAL STYLING GRAPHICS: HIGH QUALITY Immersive, lifelike quality graphics that allow you to feel what it is like to be an immersed into a living world of fantasy where magic and adventure are inescapable. SOUND: DISTINCTIVE SOUND EFFECTS Delicious-sounding voice acting and an original soundtrack.

----- "THE TURN-BASED ONLINE PLAYER VS. ISOLATE ONLINE" If you play a turn-based role-playing game, you have been in the same situation as a real-time online player. The game is a new type of turn-based game where a role-playing game is rendered as a turn-based game, then online players are rendered as an online player.

## **Features Key:**

Fabulous graphics thanks to the "glorious CryEngine"

A lively storyline created from a variety of thoughts

Funwhile playing

A strong sense of achievement

Epic dungeons filled with three dimensional designs

Will you climb the ranks of the Land Between and become a Lord of the Elden Ring?

## **Elden Rings Details:**

Arson Heart regroups the Lovers of the Land Between on the same ground. Each has their own persona, their own aspirations, and their own way of life.

The Elden Ring is a symbolic oracle of sorts. Its deep and rich history is preserved even now.

There are many Elden Rings, but all bear within them the same legend.

Arson Heart is a fictional world populated by a multitude of characters.

Terra, the world, is split into various Lands Between which are connected to each other through gateways and bridges.

The Lands Between are vast dimensions filled with a variety of places and conditions with unique qualities.

A gate connects each of these regions to another through an island called Cheating Island. There are several worlds in Arson Heart, but a story is being told from a unique perspective. Most of all, you'll have a chance to gain knowledge about the myths and legends of the lands.

A huge map of Terra that connects it all in an unparalleled fashion.

The map covers an area of nearly 1,000 square kilometers (386 square miles) and is packed with hundreds of places around the world and places that can even be found inside the map. A myriad of secret areas exists just for you. "

---

With many places to explore on one side, there's no shortage of secrets to discover. And thanks to the "gallery system", you can view the surrounding area and gateways at any point.

No need to blindly walk where you are guided by the lore of the lands.

Elden Ring consists of a number of story chapters. At the same time, there are many stages of gameplay. Through the different stages,

A TYPE-MOON (TOMTOM) EFFORT! \_\_\_\_\_  
[Game] [Product] \_\_\_\_\_ The game has a different system from previously, but its account settings, screen, etc. have been made easier for beginners. The battle system is as simple as that of a fantasy action game, so beginners can enjoy it even after just a short amount of time. Using a mouse and keyboard is more fun than using the gamepad, which means that beginners should be able to use it easily. ## **Elden Ring [Mac/Win]**

You are Tarnished, a shrine maiden who fled your native land in search of a better life. What kind of girl is Tarnished? Does she return to her homeland? Or, will she be in search of a new life? CLASSES Dark Wizard: Dark wizards are the most feared of warriors. Theirs is a lonely, dire life, as their lives are centered on defending the lands between the four kingdom from the dangers of monsters and the Knights of the Order. They are not the most attractive of warriors, but their power is unmatched. When a Dark wizard puts on their armor, they become a living embodiment of death. MAIN CHARACTER CLASS Dark Wizard Class Skills: Class Skills: Craft Skill Craftsman: Sculptors are craftsmen and design or build unique weapons and armor. A strong class that can be very versatile in combat, the sculptor is an essential part of every army. In the Lands Between, blades are forged to cut through the enemies from all directions. They are generally taken as secondary weapons in battle to draw blood and weaken the opponent. Adventurer Skill: Adventurer: Adventurers wear armor that is light and agile. Their movement speed is increased by this. In addition, as they master their class and become powerful, they gain the ability to draw upon reserves of power. Fighter Skill: Fighter: Fighters are a group of warriors who attack the enemy with strength and power. They wield traditional weapons such as swords or axes,

---

and wear protective clothing. In the Lands Between, powerful armor is cast on the battlefield and spell casters summon lightning or piercing winds from the sky. Fighters also possess an innate skill, capable of inflicting damage to the enemy in battle. Bond: Styrings are magicians of legendary power, but their power is useless unless they are bonded with another. They can only be become official allies or powerful rivals. In the Lands Between, magicians shape the land with their magic. ♦LevelUP Battle System♦▶Offensive BattleBond System -Record your stats during battle, and increase them through the power of bond with your partner. -Battle against powerful warriors with your Bond Level. ♦Character Creation System♦▶ Gear System -World-building elements such as weapon attribute, effect and bonus, and armor
